*Counselling

Gamete donors & recipients of gametes are required by New Zealand law to have implications counselling. For clinic donor treatment, both donor & recipients will be required to attend 2 appointments each. For personal donor treatment, the donor & recipient will have an individual counselling session first followed by a second joint counselling session. Please note that the donor's partners are required to attend all counselling appointments. Counselling sessions are charged at \$170 each when not included in preparation for or in a cycle.

DONOR FEE SCHEDULE

Includes sperm, eggs, embryos and surrogacy

**Personal donor sperm preparation

Fees for donor sperm preparation are charged per donor, not per cycle. You will be charged once only for screening and preparation of your known donor. The fee is payable by the date of the donor's medication consultation.

- Medication for recipient	Approx. \$0 - \$500

*Counselling

Gamete donors & recipients of gametes are required by New Zealand law to have implications counselling. For clinic donor treatment, both donor & recipients will be required to attend 2 appointments each. For personal donor treatment, the donor & recipient will have an individual counselling session first followed by a second joint counselling session. Please note that the donor's partners are required to attend all counselling appointments. Counselling sessions are charged at \$170 each when not included in preparation for or in a cycle.

**Donor Reimbursement

DONOR FEE SCHEDULE

Includes sperm, eggs, embryos and surrogacy

Donors are compensated for loss of earnings in addition to other costs, for example, childcare and car parking. This charge is applicable for both clinic and personal egg donation, however a personal egg donor can choose whether they wish to be compensated. This is determined on an individualised basis and will be discussed with the donor at Repromed.

***Personal donor sperm preparation

Fees for donor egg preparation are charged per donor, not per cycle. You will be charged once only for screening and preparation of your known donor. If you change donors, you will incur the full costs again. The fee is payable by the date of the donor's medication consultation.

Additional Costs

Advertising Costs	\$450
This cost is charged when the Donor Co-ordinator is involved with screening potential donors as a result of Repromed endorsed advertising.
